Page 115: 1st paragraph correction of percentages:

Table 67 shows the percentage increase for each household type between 2006 and 2031. Lone-person households are projected to grow by the highest percentage at **88%** and above the Queensland total average at **63%**. Couples without children are also projected to increase at a rate greater than the Queensland average at **83%** while one-parent families are projected to be the third greatest increase of all household types'.

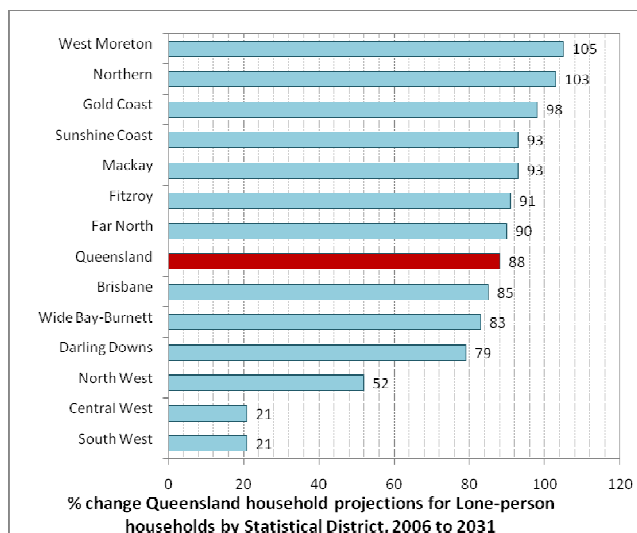

Page 115: Table 67 – updated column '% change 2006 to 2031'.

Page 115: Paragraph commencing 'Table 68 ...' First line, '47%' should be '88%'.

Page 115: Table 68 – updated column '% change 2006 to 2031'.
